

Las Vegas Senior Tripsters

March 16, 2020

Dear LV Senior Tripsters Member,

As you likely already know, Senior Tripsters, Inc., which has been serving the leisure travel needs of individual seniors since 1984, must now for multiple reasons close its doors and terminate all operations as of April 15, 2020.

The President and Board Members have long attempted to provide interesting and adventurous excursions via bus, plane, train or ship to various destinations geared to the pleasure of senior adults. We also want you to know that all through the years, we have very closely guarded our membership information; not publishing, distributing, or sharing with any entity, member names, mailing or email addresses, or phone numbers. Similarly, though some of our partners on some trips have permitted credit card payments to them, Senior Tripsters has never maintained any credit card information on file anywhere in our computers or in our offices.

The saddest fact of our organization's closing is that we know many members are still very interested in pursuing local or long-distance travel geared to senior citizens. Since we will take our entire database to our organizational grave with us, we feel a responsibility to let our members know where they might turn in order to continue their senior travel desires and opportunities. The list below shows contact information for tour groups in the Las Vegas area with whom we have had pleasant partnership arrangements on selected trips, or have been recommended to us for the future. It will be up to you, our valued member, to provide your contact information to any of the below entities and ask to be placed on their mailing list, IF you wish to do so. (We realize that you may already be on one or more of these lists.) Please do not call the current Tripsters office; we will not transfer your information for you.

While these are NOT seniors-only travel companies, we have dealt with (or traveled with) them and know they do a good job when dealing with seniors.
